1. 2023/24 Budget Process Calendar

Annually, school districts are required to submit a balanced budget to the Ministry of Education and Child Care by June 30. For the purposes of building plans to staff schools, the District has traditionally passed a budget before April 30 to provide enough time to enact staffing and other plans approved in the budget.

As it has in past years, the budget process will include consultation with the Burnaby Leadership Team, Partner Groups, the Burnaby District Parent Advisory Council, the District Student Advisory Council and the public.

Ishver Khunguray, Deputy Secretary/Treasurer, has prepared a board report outlining the details.

Recommendation:

THAT the Board of Education approve the budget timeline as outlined.
